

# Peerless Packaging

## THE PROBLEM

The customer is a packaging company based in Mumbai and specialist in liquor packaging, they have invested in a greenfield factory in Patiala, Punjab they are using KBA make machine at the plant.

## FUJI ELECTRIC SOLUTION

The team of engineers from Fuji Electric studied the operating requirement of the KBA packaging machine and based on this understood that it required constant supply to run in smooth manner. This machine required power source capable to handle its in-rush demand, which is can be met by Falcon UPS and hence the team recommended the installation of a 500 KVA rating Falcon 5000 UPS.
